**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep the internet alive and healthy. Keep it competitive with other industrial nations and within this country. Its critical we have an internet not owned by only a few multi trillion dollar companies. Keep our access open and affordable. Make it better not worse. A local healthy provider is worth more to me than a faceless in caring capability behemoth.

Thank you.
